

K-Love (89.7 and 88.3) is a regional service that provides our community with an all Christian Music radio station. In our area, it is sometimes hard to get clear radio signals, and no other station provides us with all music all the time, many others are filled with talk radio and commercials. If K-Love is displaced by an LPFM broadcaster providing other programming, many will lose out on the positive influence of this station. The service provided by K-Love is in our public interest, because it brings so many people together by our shared love of this station. It unites people all over the United States and the world. It is such a joy to be able to have a radio station that goes with you wherever you go. K-Love keeps you up to date on news as well as providing a wide selection of positive and encouraging music. Please don't take away our K-Love by expanding the LPFM stations!
